Morganfield Lions Club

Welcome to the 44th Annual Corn Festival

Dear Vendor:

Enclosed is our standard Booth Application Form for this year's Corn Festival. The dates are Sept. 14th, 15th and 16th, 2017. **PLEASE NOTE THE CHANGE OF ADDRESS TO MAIL YOUR 2017 APPLICATION, AS THE ADDRESS HAS CHANGED FROM PREVIOUS YEAR. CORRECT MAILING ADDRESS IS LISTED ON THE APPLICATION FORM.**

In order to avoid any misunderstandings we want to make you aware of the following matters:

1. We have restricted vendors from selling any of the following items: Silly String (or any variation), Weapons (knives, swords, etc.) of any kind, Noxious Gasses or Substances, Smoke Bombs, Shooting Devices of any kind, Noise Makers of any kind. All specialty items must be approved by the Lions Club and the Morganfield Police Department.
2. Please help us keep the booth areas clean during the festival by properly disposing (in bags) of all trash at your booth. Please leave the area clean when you leave the festival. If the Festival Committee determines that your location is left in unsatisfactory condition, you will be assessed a clean-up fee of \$200.
3. **No water discharge in the street of any kind allowed! It is a violation of Kentucky laws to discharge water in the street.**
4. **Food Booths Only** – You must dispose of any grease daily. Old grease at your booth attracts insects and causes bad odors. If you use the sidewalk behind your booth, it must be protected to prevent food or grease stains. Any grease left at your booth when you leave, or damage to the sidewalk will cost a \$200 clean-up fee which will be billed to you.

We have enclosed Health Department Food Sanitation Guidelines for your information.

We have also enclosed a letter concerning Fire Department Regulations as they relate to Festival Booths and their inspection schedule to monitor your compliance.

Please visit our website at: **morganfieldcornfestival.com**

Thank you.
